

## WELCOME KAPPA SIGMA PARENTS & PROSPECTIVE PARENTS!

Your son has found a home that he will be proud to call his own and build lifelong friendships. You're probably feeling a lot of different emotions...we've been there too. That's why we have a Parents' Club to provide additional communication, support (for both you and your son), and help Mike and Stacy with any house needs. As parents, we want the Gamma Chi chapter of Kappa Sigma to thrive with our boys at the helm. Our plan is to help the boys retain members, recruit more members, promote alumni and parent involvement, maintain the house and make Kappa Sigma the fraternity to join at Kansas State. Our boys love it and we can help them spread the word and grow.

Here are some of the activities we have planned for the year:

- September - Open house for families before football game.
- Meal & Treats for the boys during Serenade (week before school starts) & Finals Week
- Dads Weekend in the Fall and Moms weekend in Spring (Boys plan and the dates are TBD)
- Purchase household items as needed.

Here are social media pages you'll want to join/follow:

**Parents Facebook page:** Kappa Sigma Parents (Gamma Chi)-KSU Mama Stacy updates this page with intramural, activities, special awards, etc

**Fraternity Facebook page:** Kappa Sigma at Kansas State University

**Fraternity Instagram page:** @kappasigma\_KSU

The boys post photos from house events, recruitment, fundraisers, etc. on both accounts. Sometimes members take over posting for the day. It is a good way to stay in the know.

Feel free to contact us with any questions, concerns, or ideas you have.
