

Gamma-Chi News

Dear Parents and Alumni,

As the end to this fall semester is approaching it is time for us to look back and share the events and accomplishments that took place. It is a great and exciting time to be a member of this Gamma-Chi chapter as we continue to grow and achieve great things. It was inspiring to see all the Brother's work together to continue making improvements as a chapter. We also gained some great new initiates this semester of which we are confident will all do great things for this fraternity. Between the support from our Alumni and the dedication of the Brother's we are very excited to see what the future holds for this Gamma-Chi chapter of the Kappa Sigma fraternity.

Fall 2014 Acknowledgements

One of the reasons that our chapter continues to improve is because of the support we receive from our Alumni. They have given us the keys that we need in order to succeed. We are very lucky to receive this support and we will make sure to not let them down. A special thanks to members that have helped us get to where we are now (Doug Shaw and Andy Streeter) and especially to our Alumni Advisor Brother Mike Gardner for helping lead us towards becoming a top chapter on campus once again.

Father's Weekend Fall 2014

Brothers and their fathers during the tailgate.

Every fall we invite our dad's to come visit during the weekend of a home football game. This year it was held During the game against Texas Tech. We had a great turn out this year and we all had fun getting meet the dad's that were there. This is a special opportunity for the brothers to meet each other's families. We value our brotherhood greatly and that includes each of our families. We were very happy with how this event went and cant wait to do it again next year We were lucky enough to have our alumni advisor brother Gardner host the tailgate. He supplied us with a spread of barbeque and his custom K-state bus to help make this tailgate the best one of the season.

Homecoming takes place every fall semester and it allows all of the K-state students to show their pride for their school. Fraternities and sororities are paired up to compete in different events. This year we were paired with Chi Omega and Phi Gamma Delta.

This homecoming went great and we were able to place in the top three in multiple events. It was awesome to see our brothers devote their time and hard work towards each event this homecoming and it paid off. We also had a great time working with Chi Omega and Phi Gamma Delta and making some new friends along the way.

Unique to Gamma-Chi

Brother Thackston at his fight in Omaha Nebraska.

Brother Bille DJing down in Aggieville.

Brother Pinto racing his dirt bike in Columbus Montana.

Not only are the members of this fraternity very dedicated towards their studies, but they also still find time to participate in extracurricular activities. This semester Brother Thackston had an MMA fight in Omaha Nebraska, and once again all the Brother's who could made the trip to support him. It is always encouraging to see the Brothers of this fraternity do all they can to ensure a Brothers succeed.

We also competed in multiple intermural leagues including Ultimate Frisbee, Flag Football, Soccer, and Volleyball. These intramural's allow Brother's to show their skills, and it also gives Brother's the opportunity to learn new sports from those who have played in the past. Those who choose not to play are highly encouraged to come and watch the games. We always have a great time at the games win or lose because it brings us all together as a chapter.

Leadership Conference

The leadership conference was held in Las Vegas this past summer. This conference allowed our brother's that attended to learn information on how to help our chapter succeed. It also gave our Brother's the opportunity to meet other Kappa Sigma's from chapters all over the nation. When these Brother's returned from this conference they were very excited about our chapters future and they were able to spread this excitement throughout the entire chapter. As a Chapter we were able to take an invaluable amount back from the Conference which was a perfect way to start off the semester.

Brothers Bille, Snow, Pate, and Willard along with Alumni Advisor Brother Gardner donated their time and money to represent our Chapter and also take courses that they could bring back to better Gamma-Chi.
